

May 20th is

HAPPY WORLD BEE DAY

Activities

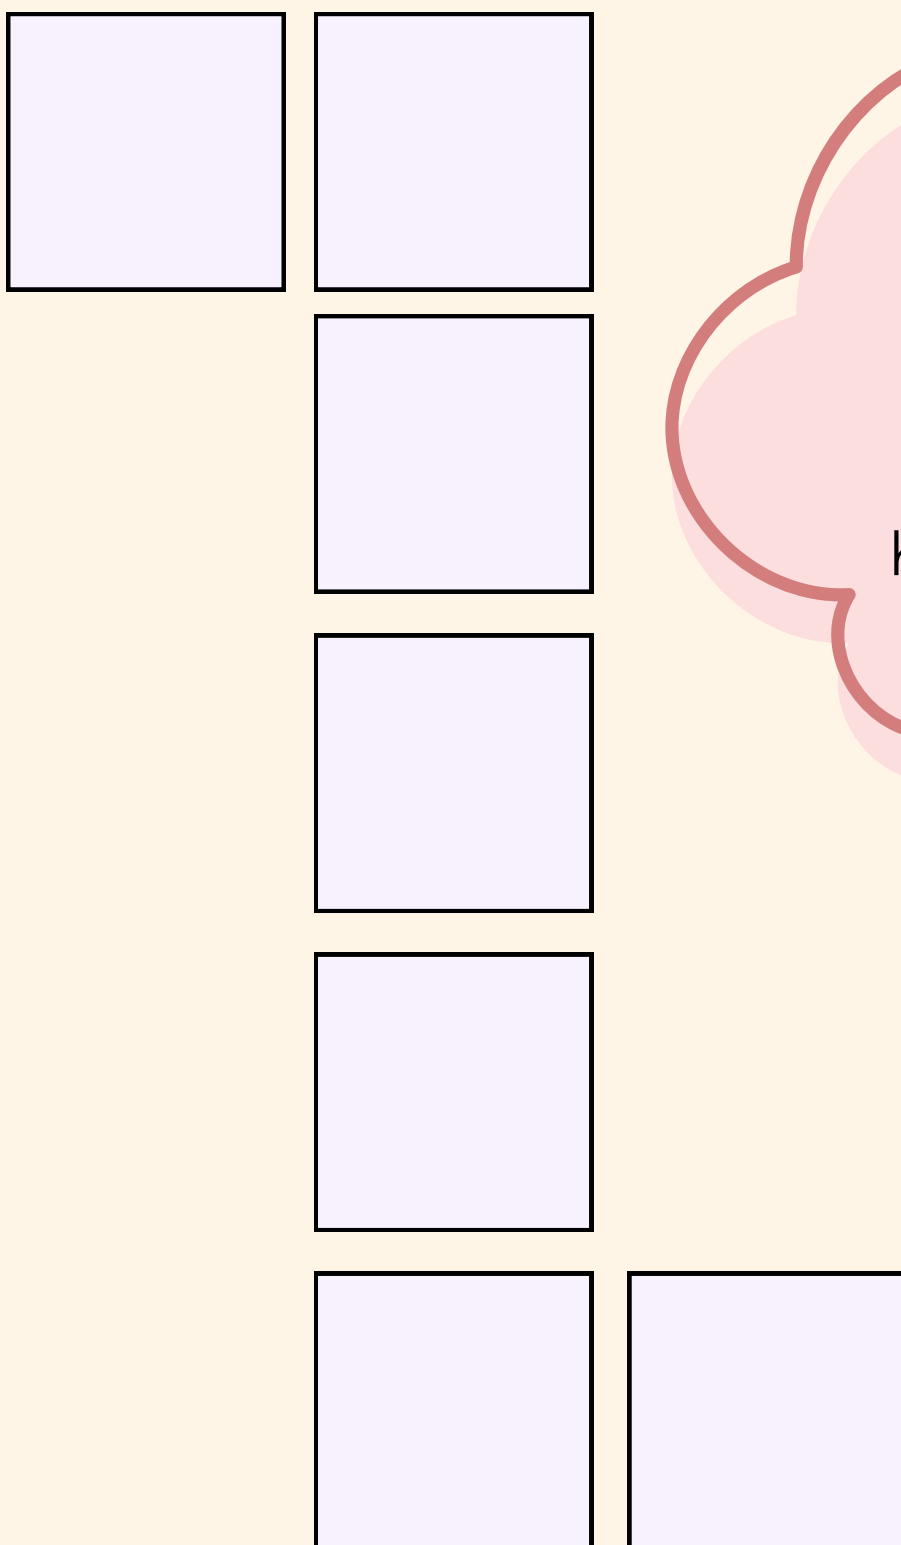

CAN YOU HELP OUR BEE FRIEND FIND THEIR WAY TO THE FLOWERS?

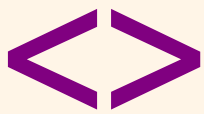

Let's help Bee find their way! 

Fill in the missing arrows to help guide Bee to the flowers.

Did you know?
An **algorithm** is a set of steps in coding – just like helping our bee friend find the flowers!

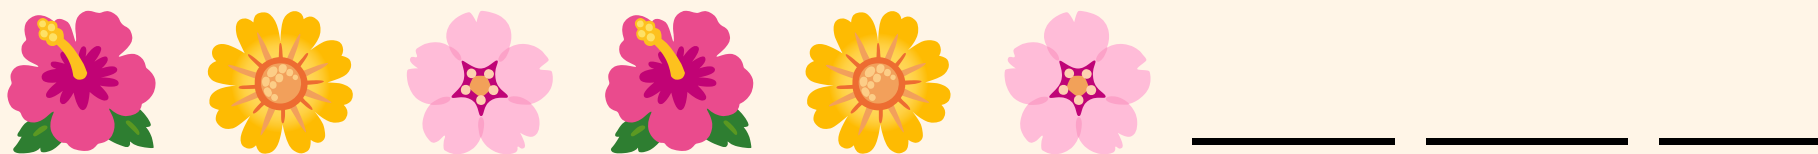

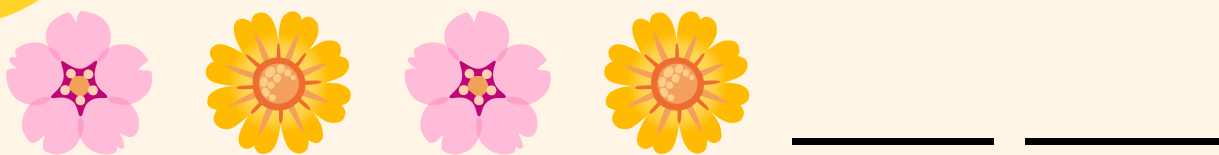

CAN YOU HELP OUR BEE FRIEND FINISH THE FLOWER PATTERNS?

Bees love flowers... and coders love patterns!  

Help finish the flower patterns.
What Comes Next

Why are Patterns Important in Coding?

Patterns help coders predict what comes next

BONUS CHALLENGE

Send GameIQ Labs your own Pattern for us to Solve!
